Dear Ms. Goad,

**RE: Bridal Veil Mountain Resort**

Marcon Metal Fabrication is pleased to endorse the Bridal Veil Mountain Resort project. We would like to show our sincere support for the proposed BVMR project in Chilliwack as we believe there are many reasons that this project will benefit local First Nations, the City of Chilliwack and the Fraser Valley and British Columbia.

Marcon Metal Fabrication is one of largest and fastest growing BC companies employing 150 people and as such have been working with several developments in the Fraser Valley and recognize the value the Bridal Veil Mountain Resort would bring to the Fraser Valley in terms of economic growth. Our company works with some of the largest developers and often work in concert with the BC Provincial government on many construction projects. These types of projects drive the economy and we highly support the fact that this is a needed one for the benefit of the valley and the province of British Columbia as a whole.

Please find this letter of support for the Bridal Veil Mountain Resort project and we are extremely excited to endorse something of this magnitude as it will bode well for everyone.

Sincerely,

A handwritten signature in black ink, appearing to read "Ari Burstein". The signature is stylized with a large, sweeping loop that extends to the right.
