RE: Bridal Veil Mountain Resort Project in Chilliwack BC.

Attn: Jennifer Goad (Provincial Government of BC)

Dear Jennifer,

I am currently doing web development work for clients in Vancouver and they shared their interest in the Bridal Veil Mountain Resort project. Last week, I attended the virtual online meeting and was amazed at what this project could provide for the province of British Columbia. I know a number of my clients support this project and I now do as well.

Sincerely,
