Re: Bridal Veil Mountain Resort Project

Dear Ms. Goad,

I have been reading about the Bridal Veil Mountain Resort Project online and am excited to visit this area upon the resort's completion. As a retired person, I enjoy travelling to different parts of Canada, and I hope to take part in a variety of experiences this project offers throughout all the seasons we experience in this great country of ours. As a lifetime Manitoban, British Columbia has always been one of my favourite destinations to vacation, winter or summer. I hope to visit this area in the near future as the Fraser Valley is a part of BC I have not had the opportunity to vacation in previously.

Sincerely,

Bill Kinley
