Subject: Bridal Veil Mountain Resort project

Dear Ms. Goad,

I am Canadian Citizen grew up in British Columbia and moved to San Jose, California since February 2000. In my teenage years, I have always enjoyed the natural life style in the Vancouver surrounding area, such as Whistler and Blackcomb for skiing in the winter and hiking in the summer.

I heard from a friend that there is a project in the city of Chilliwack to develop something similar. It would be much closer to Vancouver compare to Whistler and Blackcomb. I am very excited for the project. And I hope your team at provincial government will choose and approve the proposal for Bridal Veil Mountain Resort project. It would be something that I definitely visit from time to time with my family and kids.

Best Regards,

Frank Chang
