RE: Bridal Veil Mountain Resort Project
ATTN: MS. JENNIFER GOAD

Dear Ms. Goad,

I recently came across on Facebook and ad for the Bridal Veil Mountain Resort webinar. After watching and listening to the team behind the BVMR, I was blown away at the potential of this project. I have two little girls who would love to visit Vancouver and enjoy the winter activities at the BVMR. I hope the government of British Columbia can move pick this project.

Best regards,
