Subject: Bridal Veil Mountain Resort Project (Justin)

Dear Ms. Goad,

I am an International Student from Jakarta, Indonesia currently studying at Fraser International College. I write this email to show my full support for the Bridal Veil Mountain Project in Chilliwack. I think it's a good idea that can attract more tourists to Vancouver and have more places for me to explore while I spend my time here in Vancouver. I think a tourist attraction involving skiing would be something that everyone would enjoy. After a hard year of studying I would love to go skiing on the resort during my holiday with my friends and my family.

Please accept this letter of support for the Black Veil Mountain Project and I do hope it is the chosen project.

Sincerely,

Justin
