Re: Bridal Veil Mountain Resort Project

Dear Ms. Goad,

I am writing to you to support the Bridal Veil Mountain Resort project.

As a resident of BC and outdoor activities lover, I look forward a world-class four season mountain resort just in our "backyard". There are so many year-round attractions in The Bridal Veil Mountain Resort. After years of lockdown, we can expect huge tourism for worldwide and local cities when Canada is reopened for visit. I believe that this amazing resort will bring even more people here in that future, and I also want to make more memories with my children after this pandemic is finally over.

Thanks for your time and best wishes.

Sincerely,
