Attn: Ms. Jennifer Goad
RE: Bridal Veil Mountain Resort

Hi Jennifer,

I am excited to learn about the BVMR development in BC and I want to express my support for the development of this project. I have travelled a great deal around the world and I have truly fallen in love with the beauty of Vancouver and it's splendid scenery. Having a destination spot like this in a city I care a great deal for would be ideal for myself and my family.

Best regards,

Rob Bentley
Orlando FL.
