Re: Bridal Veil Mountain Resort (BVMR) Project

Please accept this letter on behalf of the Township of Langley, supporting the Bridal Veil Mountain Resort (BVMR) project in the Fraser Valley Regional District.

The Fraser Valley has experienced exponential growth in recent years, and the BVMR project will provide an attractive destination for residents and visitors to this area. With amenities for year-round recreation, our community would benefit from increased access to ski terrain and hiking and mountain bike trails, in addition to accommodation, dining, and retail outlets at the resort.

With projections of one million visitors annually, this project will provide a substantial boost to our local economy. Increased jobs for the development and operation of the resort, and attracting many tourists to the area throughout the year, will directly benefit local business owners and residents.

The Township of Langley supports the BVMR project, for the access to improved recreation amenities, generation of jobs, and increased tourism and revenue for local businesses that it would provide.

Sincerely,

Jack Froese
